

Parking and Walking to RMCA

Let's be Good to our Neighbors!

Parking:

Our neighbors in Antelope Ridge to the East and Falcon Ridge to our West of RMCA Campus are both PRIVATE RESIDENTIAL PROPERTIES. Please do not drive through, park in, or walk through these properties. Our neighbors to the South in Whispering Pines also need access to their driveways and streets. We ask that you please do not park in front of homes or block driveways/roadways.

In addition to these properties, please do not park on the following Streets: Grey Fox Hgts, Lost Pony Pl, Desert Canyon Trl, Quick Water Ln.

Walking:

Please always use the cross walk at Barnes Rd/ Antelope Ridge Dr stop light. For walker and driver safety, please do not cross Antelope Ridge Dr at any other point.

If you do not live in the neighborhood or walk to school , we ask that you please use carpool.

Turning Right off of Antelope Ridge Dr onto Campus:

As a reminder, please ensure use of vehicle right turn signal when in line to enter the RMCA campus, this will greatly assist our staff who are directing traffic during carpool.
